Fall 2023

Staff Updates!

Hello! My name is Bobbi Case and I recently joined Cornerstone as their new Human Resource Specialist. I am very excited to be working here! I've worked in HR for more than fifteen years; in organizations with as little as 5 employees up to 185. I'm lucky enough to be given the opportunity to work with people as they begin their career, help them grow and embrace their natural talents. I truly enjoy the process of improving training, policies, communications, and all other HR processes. My favorite part is learning! I'm always trying to better myself, learn new ways to problem solve and learn about my co-worker's needs, wants and goals. Each and every person has a story, adds value, and is truly unique. I look forward to meeting everyone!

WELCOME TO THE TEAM BOBBI!!

We have some exciting news! Aaron Spray, Cornerstone Nursing & Rehab Centers long term RN, has accepted the Director of Nursing (DON) position!

Aaron has worked for Cornerstone for ___ years. She is married with three children. One of which was just welcomed to the world! While Aaron enjoys some time with her new bundle of joy Madisen Osland has stepped up to be the Interim DON.
