

Cornerstone Nursing & Rehab Center

May 14-20 was
National Nursing
Home Week. We
celebrated each

day of the week, but
I think the highlight
was our Family Grill
Out Day! What Fun!

Family Council

Rights:

Federal and state law gives many rights to nursing home residents. The law includes the following requirements for family councils.

- A family council may include family members, friends, or representatives of residents.
- The nursing home must provide a private place for the family council to meet.
- Staff, visitors, and other guests may attend a family council meeting only at the council's invitation.
- The nursing home must consider the views of the family council and must respond promptly to the grievances and recommendations of the council, but a facility is not required to implement as recommended every request of the council.

Staff must choose a designated staff person to assist the council, if needed. This person is our social service designee, Jennifer.

What Are the Benefits of a Family Council?

Talk with others with shared experiences.
 Give and receive support.
 Discuss and solve problems.
 Learn new things.
 Gain support for your choices.

Want To Know How to Participate?

If you have any questions or would like to participate in a family council meeting, please contact Jennifer or Gloria at 218-694-6552. We would be happy to assist in getting a family council up and running!

Cultivating Kindness was the theme for Nursing Home Week! What better way to spread a little kindness then sharing a meal together.

Thank you to our Grill Masters, Paige & John & to all the family members who stopped in and made this day so special!
